Good Morning Andrew,

I hope you are well. I'd like to know if you are available for a meeting with me and one or two other members of Metro's Purple Line Extension team. We're looking to spend about an hour with you to outline our current schedule for upcoming Advance Utility Relocation (AUR) work in Westwood. We also want to share with you our plans for relocating some bus stops in the area. We really want to get your thoughts on our plans, hear your recommendations for identifying impacted stakeholders and learn of any additional special events that we should be mindful of.

When you can, please let me know your availability for a brief meeting later this month. Perhaps the week of March 12 or the following week (March 19)?

I look forward to hearing from you soon.

Best regards,
Marlon Walker

Hi Marlon,

Thanks for reaching out!

I'm copying our marketing manager, Megan Furey, on this email. She can respond with the happenings through the rest of this year, keeping in mind that we won't know everything (and some events that we don't know about probably haven't been conceived or even scheduled yet).

RE: Meeting Request from Marlon @Metro

Thanks!

Andrew
